## DISCLAIMER

Access Constraints: The US Government furnishes this data and the recipient accepts and uses it with the understanding that neither the Government nor the recipient makes no warranties, expressed or implied, concerning the accuracy, completeness, readability, usability or timeliness of the data and/or the information and the data furnished. The United States shall be under no liability whatsoever to any person by reason of any use made thereof. This data belongs to the Government and the recipient and the recipient does not to represent this data to anyone as other than Government provided data. The recipient may not transfer this data to anyone without also transferring this disclaimer.

**Distribution Utility:** The data represents the results of data collection/processing for a specific U.S. Army Corps of Engineers activity and indicates the general existing conditions. As such, it is only valid for it's intended use, content, time, and accuracy specifications. The user is responsible for the results of any application of the data for other than it's intended purpose.
